

HARROW DRAWBARS / CARRIERS

PULL TYPE SERIES

3-PT. LIFTABLE SERIES

HARROW DRAWBARS are designed for 7/16" and 1/2" flexible blanket harrow sections. Pull type drawbars are available in 4', 5', 6', 8', and 12' widths. 24' drawbar is available in a kit form, requires one adapter kit and two 12' drawbars to complete. 3-point liftable harrow drawbars are available in 4', 6' and 8' sizes and are designed for 4' x 4', 6' x 6' and 8' x 6' harrow sections. (Harrow not included)
